BLACK TALES

HOT PEPPER

I'd been waiting and waiting, and finally you did it. You printed a Jeannie Pepper layout in the September BLACK TAIL and made me very happy. The wait was worth it. Eight pages of photos and an interview, too. Now, what I wish is that you do it again. Next time, how about Jeannie Pepper and Ebony Ayes together? Wouldn't that be awesome?

Also, thank you for Ebony Ayes' fan club address. I'm looking forward to her starting things up.

Years ago, I used to buy *Players*. Now I buy BLACK TAIL instead. BLACK TAIL is definitely number one!

A BEVY OF BLACK BEAUTIES

Jeannie Pepper, Janet Jacme, Champagne, Isis Nile, Ebony Ayes and Jordan McKnight—all in one amazing issue of BLACK TAIL. Is there any wonder it's my favorite magazine? You guys are good! Just when I think the magazine can't get any better, it does!

TEXAS-SIZE NIPS

I can't believe the nipples on Vienna Woods (September BLACK TAIL). Maybe it is true they grow everything big in Texas. Those black studs on the end of her tits look mighty delicious. Sure wish I could have a taste. Tell me, do they get bigger when Vienna's turned on?

Andy
California

As soon as they're exposed to air, those nasty nips pop up big and hard, claims Ms. Woods. Apply a tongue and, yes, they do enlarge even more, she says.

GODDESS IN BOOTS

Jordan McKnight is beauty personified. In boots, she is the goddess of my dreams. While looking at her photos in the September copy of BLACK TAIL, I felt as if I'd fallen under a spell. I was compelled to covet her body with a yearning I had never felt before. I could be her slave. Please, please, feature this lovely enchantress again soon. Jordan McKnight has my undying worship.

STOLEN OPPORTUNITY

Help. I read in BLACK TAIL that Spantaneeus XTasty has her own record label now. It was in the August issue, which someone robbed from me. She gave an address to send tapes. I went to buy another copy, but the September issue is out now, so I'm out of luck unless you print the address in the magazine again. I wish Miss XTasty much success with her new business, and I think if she hears my band she'll take a chance with us.

Thank you. I'm a subscriber and I think BLACK TAIL is an excellent magazine.

PRIVATE PERFORMANCE

The other day, I went to my favorite strip bar and got a table near the stage. On stage was a dancer I'd never seen before, shaking her big, round black butt. She was voluptuous, with an astoundingly round, beautiful ass and strong thighs. I gave her some money and asked her to come to

my table when she finished dancing. Minutes later, there she was at my table, drinking and talking. Next thing I know, her hand was rubbing my hard dick and she whispered in my ear, asking if I was interested in a private dance. My answer was yes and she told me to follow her.

Like a good puppy, I followed Cookie to a private booth. She told me to make myself comfortable and started to undress. Her top first, then her G-string. She had a nice clean-shaved pussy. My dick got harder than ever as she got closer and closer to me. She turned around, her beautiful ass facing me, and spread my legs so she could rub her ass against my hungry dick. I grabbed her ass, kissed, licked and caressed it.

Cookie then got on her knees, pulled down my pants and put my dick in her mouth. She sucked it slowly, teasing it with her tongue, then took the entire dick down her throat while her hands caressed my balls. I was ready to fill her mouth with my cum, but Cookie pulled my cock out of her mouth and put it between her beautiful black melons instead. Man, did I cum!

BANGABLE BUTTS

BLACK TAIL definitely lives up to its name. The sisters all are good-looking, with fine asses. I like the rear shots the best. Spread those buns, open those cracks. Let's see some buttholes. Have them bend over so I can see where I want to put first my tongue, then my dick. That's what I buy the magazine for. I want a big juicy butt in my face every page!

GOOD GOLLY, NAKED GIRLS

I came across a copy of BLACK TAIL by accident. I found it on a subway car when coming home from work late one night. I'd only seen a couple of men's magazines before and I wasn't impressed. But when I opened BLACK TAIL, I did a double take. Wow! Your models show everything!

I put the magazine under my coat. When I got home, I took a better look at it and got so hard, my cock hurt. I didn't think I was the type to masturbate while looking at pictures of nude women, but there I was, beating my meat like a virgin without a prayer for the real thing. And my wife was right upstairs, probably waiting to fuck.

When I got into bed, my wife was asleep, so I put the magazine on the floor next to my slippers and shut the light. In the morning, I woke up with my cock in my wife's mouth. The copy of BLACK TAIL was on the bed. She liked it, too.

We've used sex toys to make sex more interesting, and sometimes we watch porn movies in bed. Now, when we feel things are getting a little dull, we can count on BLACK TAIL to get our juices going.

My wife says she'd like to try a threesome one day, with another woman. I'm all for the idea, but I don't want to be pushy about it. Maybe some hot fiction on the subject would help. And lesbian layouts, too. Every man dreams about sex with two women, and I'm certain BLACK TAIL can make my dream come true.

BALD PUSSY LOVER

I've read the letters from guys who want to see fewer shaved pussies in the magazine. One guy said he fears shaved beaver is becoming a trend. Where's he been? On another planet? I, for one, prefer a pink cunt to a hairy one. And, besides, you can't even see a pussy that's covered with hair. So, please, continue to feature beautiful black women with shaved pussies in each and every issue of BLACK TAIL. Other shave enthusiasts will thank you, as will I.

CLUB REPORT

This Philadelphia club features two platforms for the dancers, and a terrific sound system and light show!

BY IRV O. NEIL

Monday nights are *hot* in Philadelphia when you stop at Studio 37, located at 3728 North Broad Street (215-227-0466). That's when this popular venue features fifteen to thirty exotic dancers for your viewing pleasure. The rest of the week it's a regular nightclub with music and dancing.

Long-time manager John is your host for some of the town's finest ladies. The hours are 9 p.m. until 2 a.m., and although the club features exotics only on Monday, it's open six nights a week (closed Sundays). It's had the same owner for 25 years; until three years ago it was known as Chuck's Disco, when it was re-named and re-modeled with an all-new decor—"the plushest place in North Philadelphia," John told us.

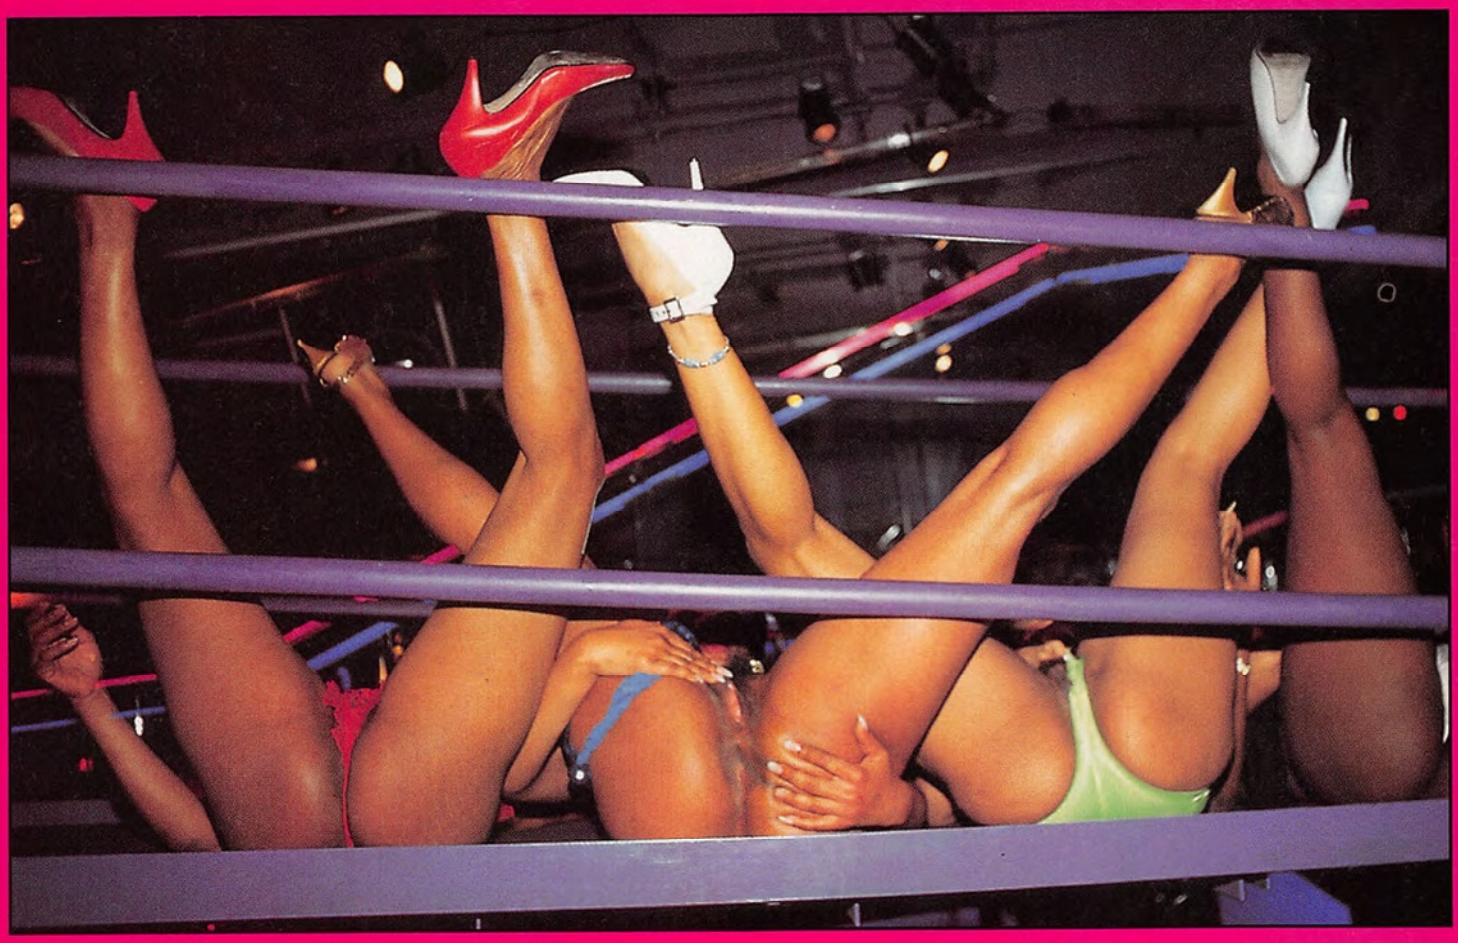
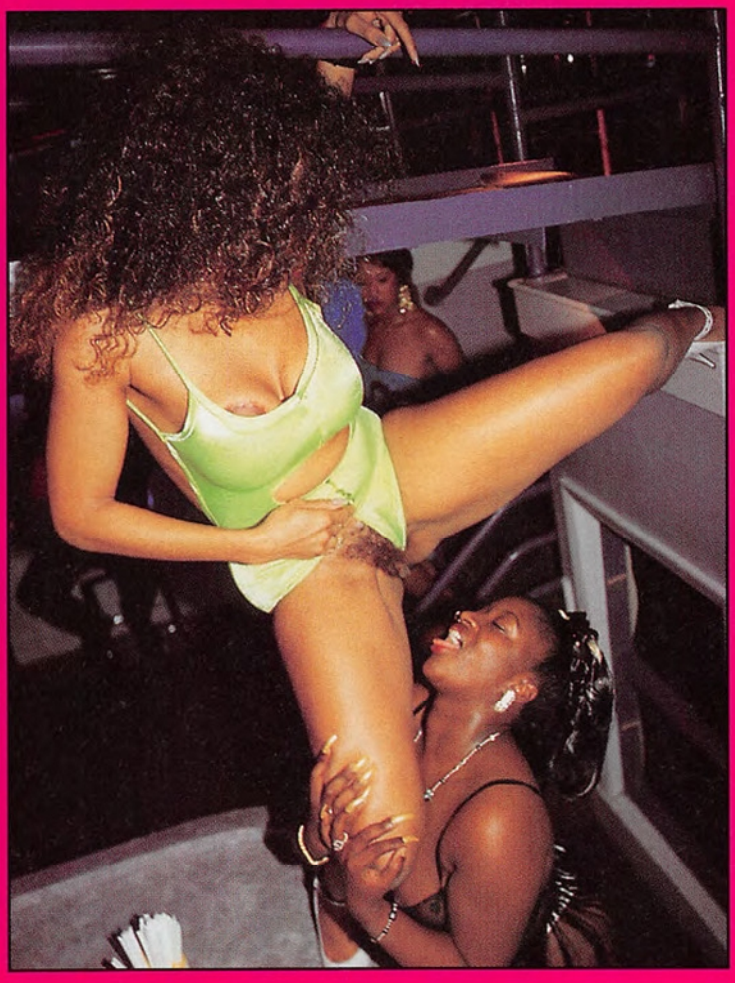
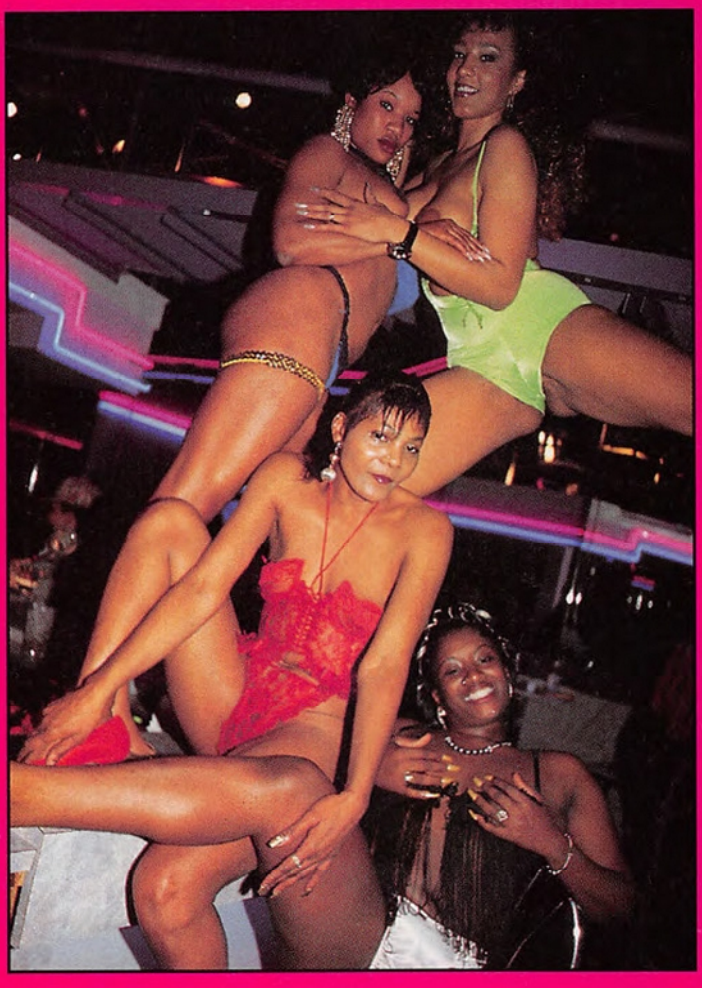
Admission on Mondays is $6, and you get a free drink. Prices for drinks start at $2.50 for a regular beer; and if you want to buy a dancer a drink, it's normal-priced. There are attractive barmaids to make your visit even more enjoyable.

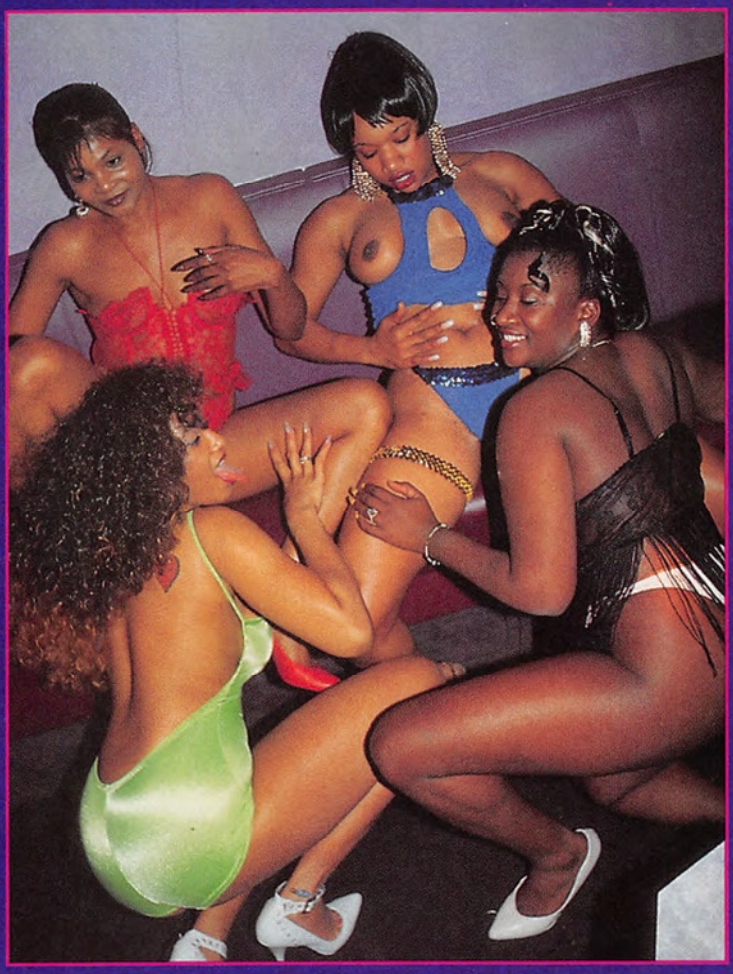
Studio 37 has two platforms for the dancers—one above the bar, and one in front of the large dance floor. They have a terrific sound system and light show, always with a live deejay.

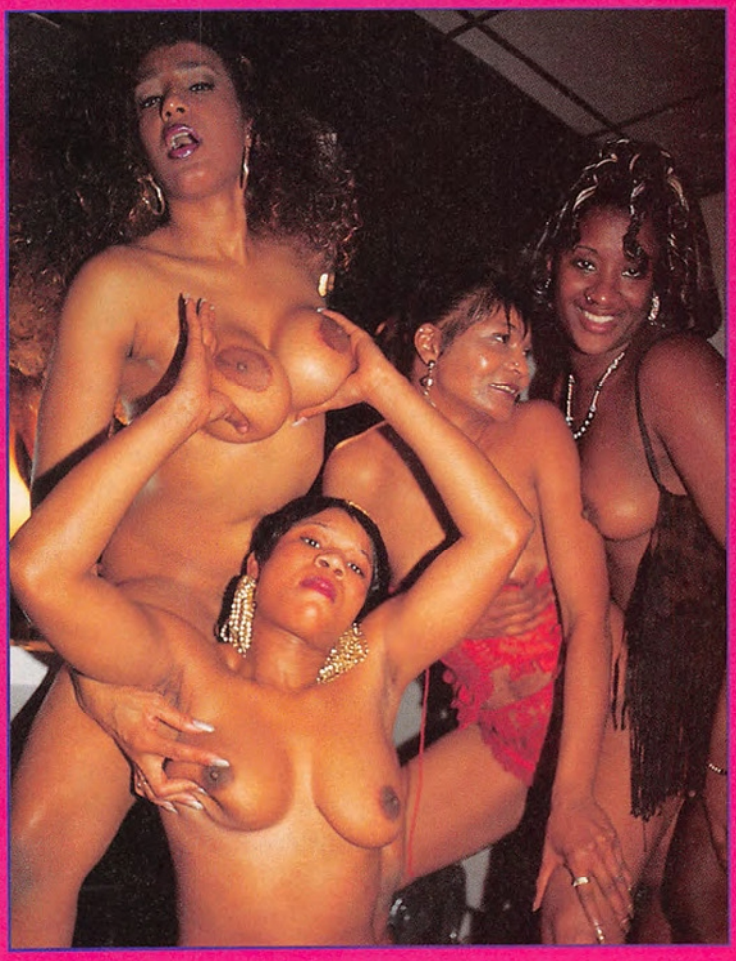
John's a veteran of the nightclub scene—"I've been working in bars for about twenty years." And he gets the quality performers—in fact, we were introduced to Studio 37 through our publisher Dynamite and her Entertainment Plus Inc. organization. John gets some of his dancers through an agent, but otherwise he uses freelancers who come by on their own Monday nights. A dancer can audition any Monday night—just ask for John.











PORN STAR SPOTLIGHT: JORDAN McKNIGHT

Dancing, diddling and three-way sex!

By Jordan McKnight

It's nice to be able to sit my sexy ass down and get off my feet for a while. After thirty movies, a girl needs a rest. I just came back from South Carolina, and before that, I was in New York, then Michigan. I enjoy dancing, and I think that's what I'm going to concentrate on for the next couple of months. That, and promoting my videos by getting out and meeting my fans and signing autographs in book stores around the country. Since my layout appeared in the September BLACK TAIL, I've been getting letters from fans who say the next best thing would be meeting me in person. Well, here's your chance. Watch the ads and come get an autographed photo when I appear in your area.

One guy wrote to tell me he longs to be my slave. Now, there's a fantasy I can get into. Me, with three or four well-hung guys to order around. Right up my alley. It would be, "Lick this, lick that! Kiss my butt! Yeah, get your tongue in there and work it around." A married woman wrote to tell me she saw me in *My Baby's Got Back 4* and came in

Devin DeRay

Devin DeRay is a newcomer to BLACK TAIL, but a seasoned veteran of the strip circuit, beauty pageants and TV, having appeared briefly on Howard Stern's notorious pay-per-view New Year's Eve Special! At 22, Devin holds the title of Miss Nude Detroit and, previously, Miss Nude Indiana.

Trained in classic ballet, Devin's act is not only totally sensuous but very acrobatic.

When it comes to sex, Devin admits to being bisexual, but says she is only attracted to other beautiful women who have large breasts. To be truthful, Miss DeRay actually prefers a nice, hot, sexually satisfying threesome...and would love to do a layout with Dominique Simone. (No problem—we're calling her now, Devin, with your request!)

So, guys, keep tuned...it may not be long before you see Dominique and Devin in hot girl-girl action!

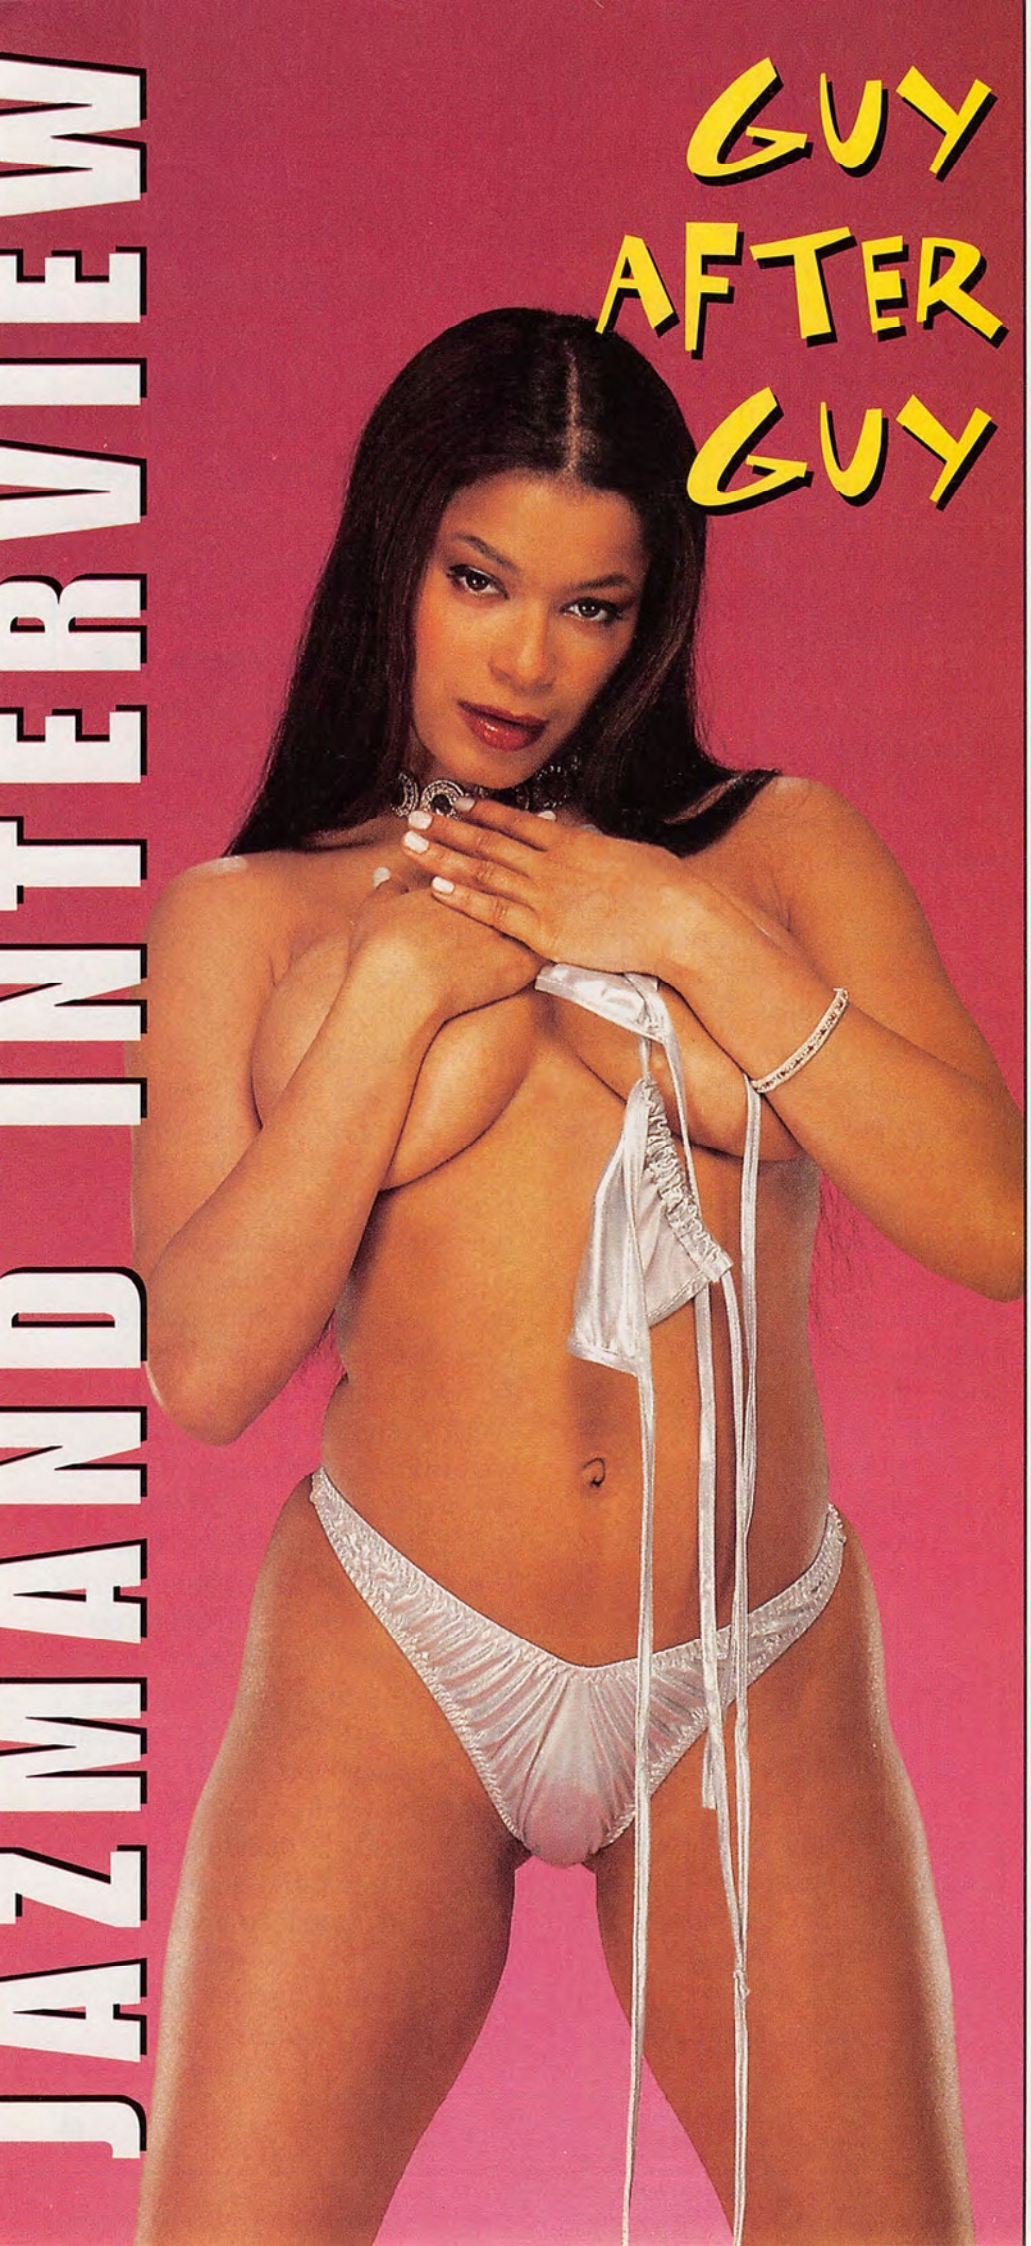
JAZMAND INTERVIEW

GUY AFTER GUY



When asked what her favorite sexual thing was, exotic dancer Jazmand said, "There's lots of things!"

BY IRV O. NEIL

Stunning Jazmand is new to the dance scene. Besides her good looks, she's got a sure sense of humor and an attractive personality that doesn't take itself too seriously—characteristics that could well lead her to great success in her ultimate goal, television acting. We met the day before her photo shoot, when she came to the studio to get an idea of what to expect when she did her layout. As we spoke, she paged through a magazine, but still managed to give us full attention. We liked Jazmand, and you will too. If you want to say hello, drop her a fan letter c/o BLACK TAIL.

BLACK TAIL: I understand you just recently started dancing, within the last couple of weeks. Where?
JAZMAND: Private club parties, and mailing-list-only parties.
BT: What do you do at these parties?
JAZMAND: Stage, lap dancing.

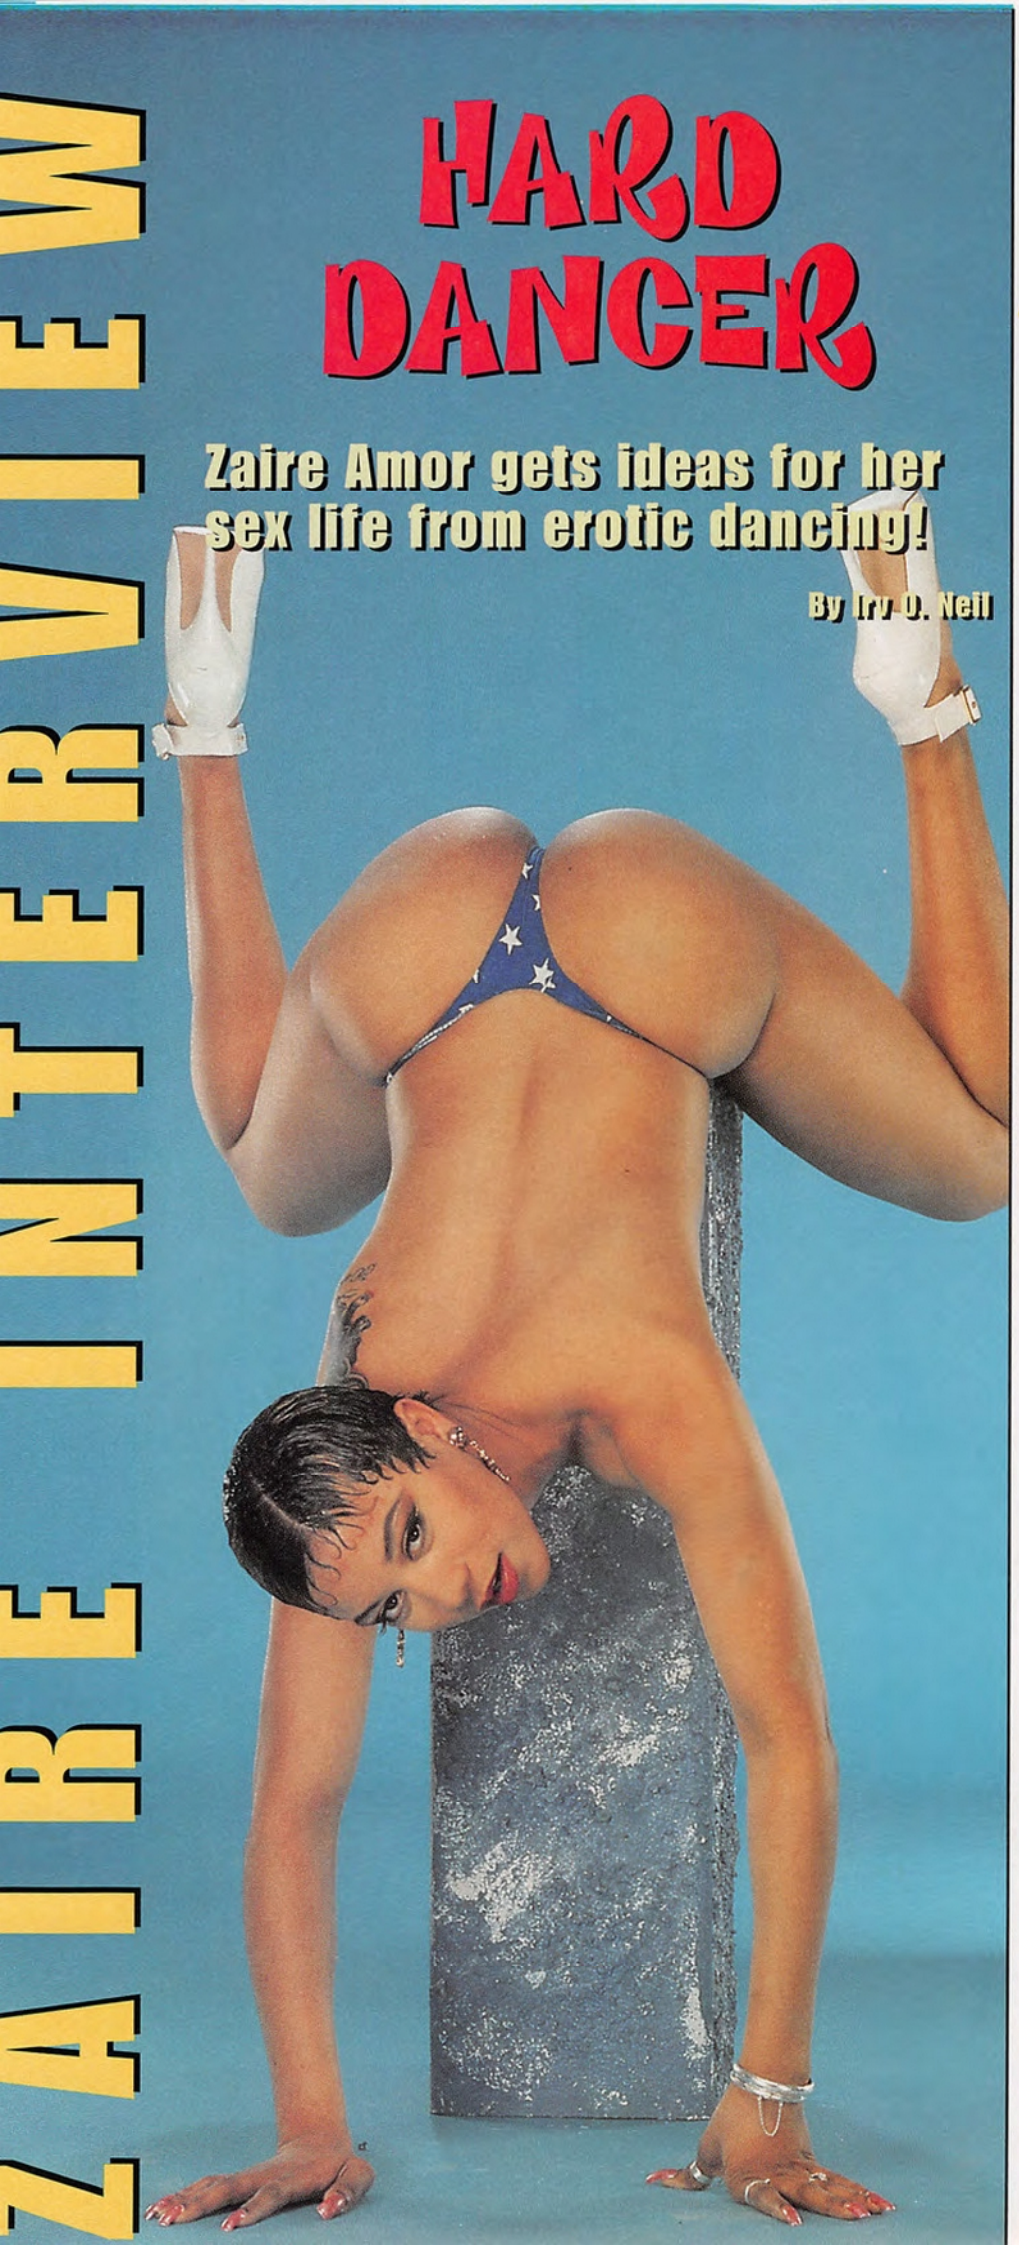
ZAIRE INTERVIEW

HARD DANCER

Zaire Amor gets ideas for her sex life from erotic dancing!

By Irv D. Neil



A girl whose gorgeous looks are sexily accentuated by her quiet manner, Zaire Amor is a favorite of New York area exotic dance fans. She's a friendly girl who loves roses—a lot of her customers buy her roses; lingerie from Frederick's of Hollywood, "with the chest and private parts cut out"; and high heeled shoes—"I don't like low heels, I like high, high, four to five inches." But there's a lot more to her than this, as you'll see in our talk. At one time, she danced as "Destiny," for those of you who may have viewed her onstage before she adopted her new name. She'd love to hear from all the new fans she'll make from her interview and layout, so be sure to write Zaire c/o BLACK TAIL soon.

BLACK TAIL: How long have you been dancing, Zaire?
ZAIRE AMOR: About two and a half years. I dance at Gordon's and Dreams in Queens now, but I've danced at Legz Diamond's, Flashdancers, the Nugget, and the Pyramid in Delaware.
BT: You don't dance in Manhattan anymore?
ZAIRE: No. I haven't found any clubs where I make as much money as I make in Queens.
BT: Where are you from, originally?
ZAIRE: Brooklyn.
BT: How did you get into dancing?
ZAIRE: Well, there was a guy who introduced me to the owner of a club. The first club I danced at was Legz Diamond's.
